Florence Flag

The original Glasses by Garielle design consists of the Florence flag on the arm of the glasses. The Florence flag can be reversed.

\$ 50

Duomo Inspire Stripes

Inspired by the facade of the duomo, the burnt orange white and green colors are striped along the arm of the glasses.

\$ 60

Santa Maria Novella

The facade of the Santa Maria Novella has been incorporated into this glasses arm design.

\$ 60

Baptistry Doors

The Baptistry Doors of Florence hold great significance in the Renaissance history. The inclusion of their design incorporates the luxury of the brand.

\$ 75

Ponte Vecchio Bridge

The newest design of glasses display the oldest bridge of Florence. The image will cover the entire arm when fully printed.

\$ 75

Created in Florence

Each pair of Glasses by Garielle are custom made. One will first choose their lens shape and rim color. There are currently five arm designs that are of options. It is possible to customize further by requesting specific design alterations.

Upon ordering, the creation takes approximately 2-4 weeks and will be shipped immediately after. As they are made specific to the individual, all sales are final.

Please enjoy your custom pair of glasses!
